Diploma in Computer Science & Technology

Itahar Government Polytechnic, WBSCTVESD | *2025 / CGPA: 6.33/10*

Higher Secondary Education (12th Grade)

Saltora Dr. Bidhan Chandra Vidyapith, WBCHE | *2022 / 81%*

KEY PROJECTS

Hand Gesture Control Mouse / Python, OpenCV

- Engineered a real-time computer vision application enabling touchless mouse control through hand gesture recognition
- Implemented MediaPipe for accurate hand tracking with 95%+ gesture recognition accuracy

AI Voice Assistant / Python, NLP, Speech Recognition

- Developed an intelligent voice-activated assistant leveraging natural language processing and speech recognition
- Applied NLP techniques to interpret user intent and provide contextual responses

Kaiwa - Real-Time Chat Application / Java, Socket Programming

- Built a multi-user chat platform with client-server architecture supporting concurrent connections
- Implemented real-time message broadcasting and user authentication features
-

CORE COMPETENCIES :- Problem Solving • Workaholic • Team Collaboration • Time Management • Active Listening • Adaptability
